## READING

A) Read the following text and answer the questions that follow:

### MY TOWN

By Alex Howarth, 18

I live in Newquay. It's a small town on the Atlantic coast of Cornwall, in the southwest of England. Around 22,000 people live in Newquay, but the population can increase to 100,000 or more in the summer because Newquay has a large stock of holiday accommodation. It has got great beaches and it is the best place to surf in the UK. There are lots of surf schools where you can learn how to surf. I go surfing with my friends every weekend. My favourite place is Fistral Beach.

I love Newquay because there are lots of other things to do apart from surfing. If you like water sports, you can go kayaking, water-skiing or coasteering. Coasteering is different because it is rock climbing, jumping into the sea and swimming in the same activity, but you should always go with a special instructor.

If you like animals you can also visit the Blue Reef Aquarium and see lots of different fish and even sharks. You can also go horse riding on the beach or visit Newquay Zoo. There are lots of other attractions too, like mini golf and bowling. Come and see for yourself!
